

## SECTION I: TOOL STRING

Product Code: 102

### Type 'EO' and 'ED' Accelerator Assembly: 1 1/2" – 2 1/2"

**Rebco** Accelerator is designed to be used with various Jars. The Accelerator assists in maintaining a constant pull as the Jars open, and upon release, the impact is intensified.

**Rebco** offers Accelerator with Threaded and QLS Connections.

#### Type 'EO' -Threaded Connection
